Shawna Shepherd

Hope in the room.
Action beyond it.

I'm Shawna Shepherd, founder of Wired 4 Wealth. I draw on lived experience and a career in banking and real estate to help people recognize their value, discover how they're wired, and put their gifts to work. I bring honest stories and practical tools so your audience leaves with a clear next step.

Featured talks

Wealth Carrier 101: What's in Your House?
Recognize the gifts and resources you carry and put them to work in service of others.

Unlock the Wealth Within
Discover how you're wired and put your gifts to work. Adapted for youth and adult audiences.

Act Like a Lady, Think Like a BOSS
Own your gifts and lead with confidence and purpose.

From Heaven to Earth
Explore how prayer and faith bring Kingdom principles into everyday life.

Custom Talks
I can tailor a message to your audience, event theme, and what you want people to walk away with.

Ways to book

Emcee
Warmth and energy that keep your event moving.

Power Talk
A focused 15-minute message with one clear takeaway and a next step.

Panel
Practical insights and lived experience in a moderated conversation.

Breakout Session
Interactive teaching with guided discussion and tools participants can use.

Keynote
A featured talk shaped around your event theme, with a clear next step.
